Catit Recipes ADULT Poultry Recipe

Delicious complete food, freshly prepared for your cat

Catit ADULT Poultry Recipe offers your cat the key nutrition they need for a long and healthy life. This delicious complete diet is made using real poultry meat and fresh liver – delicately cooked at a lower temperature thanks to top-grade technology, preserving the natural nutrients and exceptional taste.

With omega-3 fatty acids to help promote a healthy skin and coat

With added psyllium, to aid the transition of hairballs

Naturally high in taurine, essential for eye and heart health, and immune system support

NO artificial flavours or colours,
NO wheat or soy

catit®

Key benefits

Your cat will love Catit ADULT Poultry Recipe and they have a great many reasons to do so;

- **Real chicken and turkey muscle meat**, packed with easily digestible protein
- **Dried poultry protein**, the purest form, with natural calcium
- **Fresh liver**, a nutritious source of vitamins and taurine
- **Blueberries, cranberries, and marigold blossoms** — a variety of Superfoods that help contribute to your cat's overall health
- **Psyllium**, an excellent source of natural fibre, enhancing your cat's digestion and helping to prevent hairball buildup
- **Sweet potato and potato flour**, 2 low allergen sources of fibre that help keep your cat's stool regular and healthy
- **Brown rice**, in a small amount to benefit your cat's digestive health
- **Green lipped mussel extract**, offering a range of Omega fatty acids, which can help maintain bone and joint health in your cat

Catit ADULT Poultry Recipe uses locally sourced, natural ingredients only:

- **Naturally high in taurine** — essential to your cat's diet, as it helps them maintain normal body functions like eyesight. All felines have an instinctual preference for foods with natural taurine, so your cat's in luck!
- **NO** wheat or soy
- **NO** artificial flavouring or colouring
- **With the perfect amount of crunch** for your cat's satisfaction, cleaning their teeth and gums as a bonus
- Cooked in a high-tech kitchen and at **lower temperatures to preserve the natural taurine and flavour**
- **Produced meeting the highest international standards** for food quality and hygiene, in a climate-neutral facility
- Comes in **recyclable** packaging
For the UK: Recyclable at large stores, check with your local authority for kerbside collection availability.

Ingredients

Composition: Poultry (57%) (fresh turkey meat 28%, fresh chicken meat 20%, dried poultry protein 9%), liver (10.5%) (fresh liver 8%, liver meal 2.5%), potato flour, brown rice, dried sweet potato, dried peas, hydrolysed protein, fish oil, calcium carbonate, psyllium (0.15%), green lipped mussel extract, dried cranberries (0.12%, equivalent to 0.7% cranberries), dried blueberries (0.12% equivalent to 0.7% blueberries), dried yeast, dried marigold blossoms (0.06%), dried chicory, dried yucca (0.005%).

Additives: antioxidants. **Nutritional additives (per kg):** Vitamin A 17,000 IU, Vitamin D3 1,500 IU, Vitamin E 150mg, Zinc oxide (30mg of zinc), Calcium iodate, anhydrous (2mg of iodine), Sodium selenite (0.2mg of Selenium), Copper (II) sulphate pentahydrate (10mg of Copper), Taurine 1,700mg, Zinc chelate of amino acids hydrate (40mg of Zinc).

Analytical Constituents

Crude Protein	33%	Calcium	1.2%

Catit Recipes ADULT Poultry with Ocean Fish Recipe

Complete dry food with ocean fish, perfectly balanced for your cat

Catit ADULT Poultry Recipe with Ocean Fish is the ideal daily diet for your adult cat. Completely natural, this irresistible crunchy kibble is packed with real poultry meat, salmon and whitefish — gently prepared at lower temperatures in our state-of-the-art kitchen to preserve the ingredients' nutrient profile and wonderful taste.

With Omega-3 fatty acids
to benefit your cat's
skin and coat

Natural Yucca Extract
to help reduce
litter box odors

Rich in natural taurine,
essential for your cat's
body functions

NO grains, wheat, or soy,
NO artificial
flavours or colours

Key benefits

Have your cat enjoy Catit ADULT Poultry Recipe with Ocean Fish, knowing you're feeding them the very best;

- **Fresh chicken and turkey**, real muscle meat rich in highly digestible protein
- **Dried poultry protein**, pure concentrated protein, naturally including calcium
- **Ocean fish (MSC-certified)**, delicious salmon and whitefish, freshly frozen to preserve their nutrient profile
- **Fresh liver**, a feline favorite abundant in vitamins and taurine
- **Nutritious berries and marigold blossoms** — some of nature's power foods to help support your cat's health and vitality
- **Natural Yucca extract**, a root vegetable with natural prebiotics that can help bring down your cat's stool odor
- **Psyllium**, a great source of fibre in support of your cat's digestion, helping them to pass hairballs more easily
- **Sunflower oil**, with Omega-6 fatty acids to help boost your cat's immune function and maintain their skin and coat
- **Fennel, catnip and watercress**, small quantity of nutritious dried herbs to benefit your cat's digestion

Catit ADULT Poultry Recipe with Ocean Fish is a **100% natural, complete cat food:**

- **Naturally rich in taurine** — an essential amino acid for your cat to maintain healthy body functions, including heart muscle function. Cats find natural taurine very appealing, so this Catit Recipe will have them purring with joy
- **NO** artificial flavouring or colouring
- **NO** grains, wheat, or soy
- **Satisfyingly crunchy**, for your cat's enjoyment and dental hygiene
- Prepared using the latest technology, allowing for lower cooking temperatures and **preservation of taurine and taste**
- Made at our climate-neutral production site, **meeting the highest international standards** for food quality and hygiene
- Packed in a **recyclable bag**
For the UK: Recyclable at large stores, check with your local authority for kerbside collection availability.

Catit Recipes
INDOOR / STERILISED Poultry Recipe

**Complete and balanced food
 for your indoor, sterilised,
 or less active cat**

Catit INDOOR Poultry Recipe is a highly digestible complete diet specially made to support your indoor cat's health and digestion, to help them maintain a glossy coat, and to bring down stool odour. This delicious poultry recipe is made using cutting-edge kitchen technology, allowing us to prepare real meat ingredients at lower temperatures, preserving their natural nutrients and exquisite taste.

*Out of total protein content

With omega-3 fatty acids to help promote a healthy skin and coat

Natural yucca extract helps reduce stool odor

Added linseed helps promote a healthy gut

NO grains, wheat, or soy,
NO artificial flavours or colours

catit[®]

Key benefits

Feed your cat Catit INDOOR Poultry Recipe to have them enjoy all these great benefits and more;

- **Real turkey and chicken meat**— Both excellent sources of highly digestible protein
- **Dried poultry protein**, produced in its purest form, naturally including calcium
- **Nutritious liver** as a natural source of vitamins and taurine
- **Cranberries, blueberries and marigold blossoms** — delectable Superfoods to help support your cat's health and vitality
- **Dried beet pulp**, rich in soluble fibre to stimulate healthy gut flora, greatly important for indoor or less active cats
- **Beta glucan**, a natural supplement to help improve your cat's immune system, reduce skin disorders as well as joint issues
- **Dried whole eggs**, a great source of protein, iron, potassium and magnesium. The bonus egg shell is great for calcium (your cat would eat eggs shell and all in the wild).
- **Chicory**, a probiotic to benefit your cat's gut microflora

Catit INDOOR Poultry Recipe is freshly prepared using locally sourced ingredients:

- **Rich in natural taurine**, which your indoor cat requires to maintain their body functions, such as eyesight. Cats are drawn to foods with natural taurine, so your cat will be pleasantly surprised!
- **NO** grains, wheat, or soy
- **NO** artificial flavours or colours
- **Made irresistibly crunchy**, to help clean your indoor cat's teeth and gums for a fresher breath
- Cooked in a state-of-the-art kitchen, at **lower temperatures for optimal taurine and nutrient preservation**.
- **Made at a climate-neutral production site**, meeting the highest international standards for food quality and hygiene
- Packed in a **fully recyclable bag**
For the UK: Recyclable at large stores, check with your local authority for kerbside collection availability.

Ingredients

Composition: Poultry meat (25%) (turkey meat 15%, chicken meat 10%), dried poultry protein (16.8%), potato flour, potato starch, liver (8.2%) (frozen liver 5%, dried liver 3.2%), hydrolyzed protein, animal fat, dried beet pulp, linseed (1%), fish meal, pea fibre, fish oil, dried pork protein, dried whole eggs, dried peas, dried yeast, dried cranberries (0.1%, equivalent to 0.6% cranberries), dried blueberries (0.1% equivalent to 0.6% blueberries), green lipped mussel extract, mannanoligosaccharides, beta-glucans, dried marigold blossoms (0.05%), dried chicory, dried yucca (0.004%).

Additives: antioxidants. **Nutritional additives (per kg):** Vitamin A 16,750 IU, Vitamin D3 1,475 IU, Vitamin E 150mg, Zinc oxide (30mg of zinc), Calcium iodate, anhydrous (2mg of iodine), Sodium selenite (0.2mg of Selenium), Copper (II) sulphate pentahydrate (10mg of Copper), Taurine 1,900mg, Zinc chelate of amino acids hydrate (40mg of Zinc).
